PRIORITY POINTS OVERVIEW

Each year TPE Exhibitors select booth space based on *Priority Points* from the previous year.

Booth sales and selection is open to returning exhibitors based on priority point group ranking. **Sponsors spending more than \$3,000 will have the opportunity to choose their booth pre-show and at an early bird rate.**

All non-sponsoring exhibitor will choose post show, in priority point order and at the standard rate.

PRIORITY POINTS OVERVIEW

- Priority Points are earned through exhibit space/booth square footage and sponsorship.
- **Sponsors spending more than \$3,000 will have the opportunity to choose their booth pre-show and at an early bird rate.**
- All non-sponsoring exhibitors will choose their booths post show, in priority point order and at the standard rate.
- \$1,000* Spent = 1 Priority Point
- Priority points are accumulated each year (for consecutive years). **If a year is missed/skipped, an exhibitor will lose accrued points (50% for the 1st year, all points the 2nd year).**
- The amount of priority points you accumulate through these opportunities will influence the order in which you choose your booth location for the next TPE show!

**Spent on TPE booth space and TPE sponsorship.*

PENALTIES IN PRIORITY POINTS

Non-Consecutive Exhibition at TPE

Failure to exhibit at TPE consecutively will negatively affect your priority points as follows:

1st year missed : Reduction of priority points by 50%

2nd year missed: Loss of all priority points

Early Teardown Policy

All booths must remain intact, staffed and open for business until the close of show at 4:00 PM the final day. Show Management will document early breakdowns and assess penalties as follows:

1st offense: Verbal / documented warning and loss of 5 priority points

2nd offense: Forfeiture of future participation
